Aarav Mehta — SAT package, 2nd installment

- The payer's surname matches, and Aarav's file lists a parent named Rajesh.
- ₹1,39,240 is exactly half of the ₹2,78,480 package including 18% GST.
- Aarav's second installment was due 15 Oct; nothing has been recorded against it.
- Why not higher: Kiara Mehta (IB, hourly) also has a parent on file with the same surname.

The amount check and the balance are calculated by the rules engine, not the AI.
